Importance: High

Ex. 5 - Deliberative

If neither of them is available I can do it based on most recent email from OPP with the language

Thanks! We're sending it off for one more quick scrub for typos and footnote formatting.

Regarding your hyphenation edits, Tt, the style/grammar experts, removed the hyphenation during their editorial review so I did not incorporate those to be consistent with the previous edits they made.

Christine:

I had only one comment that I felt should be included. You can find my proposed revision in the text and my comment in the marginal notes. Thanks for the opportunity to review this.

Dennis
